Dear grandma,

You won't believe what (14) happened to me! I travelled to London and (15) had a great adventure. First, (16) I felt completely lost because I didn't understand anything. After a while, things (18) went better and I (19) started visiting the wonderful city. (20) I went to the museum, visited Buckingham Palace and even (21) met happily one of the Queen's dogs. (22) It was such a beautiful corgi! (23) Then I decided to have a boat tour on the river Thames. (24) It was amazing. All these enormous buildings around us. Some of them are very well-known sights like The Palace of Westminster, Tower Bridge and many more. After a few days, (27) I didn't have any money left, so (28) I asked in a café if (28) I could work there.... And guess who (31) I met there? Billie Eillish. What an adventure! Now I must say good-bye.

I hope to see you soon.

Love, Harry
