Travelling and Animals-SELBSTKORREKTURBOGEN

Task 1 Ich habe an „he-she-it- das S muss mit“ gedacht (Zahlen für Zeilen in der Aufgabe):

Hi, I am Maria. I live in Brighton and I love riding my horse! My horse's name is Wind of the East, but I call her just Windy. Windy is 9 years old and (4) she **loves** carrots. (5) She **eats** a lot of carrots but she also (6) **likes** apples and hay.

My younger brother's name is Jason and he is 9 years old, too. Sometimes he is very nice, but sometimes he can be naughty and (8) he **gets** on my nerves. He (9) **studies** at a primary school near our house. Jason never (10) **forgets** his homework – it's unbelievable! In the afternoon he usually (11) **plays** with his friends in the playground or goes online. Jason also (12) **likes** music very much and he **learns** to play the guitar.

My mother's name is Anne. She is always at home and she is 42 years old. On a weekday she (15) **gets up** at seven o'clock and (15) d **makes** breakfast for us. Later she (16) **cleans** our house. She is a brilliant cook and (17) **cooks** great meals. I love her bacon, potatoes and cabbage! In her free time she (18) **reads** books and (18) **watches** films on TV. She sometimes (19) **listens** to music.

My father's name is Luke and he is 44 years old. He is a firefighter and (21) he **works** late. He always (22) **goes** to work in the evening and comes back home in the morning when we are having breakfast. He is a good singer and (23) he **sings** in a band in his free time.

My grandparent's names are Gertie and James. Their house is far from our house, so we can't visit them very often. (25) They **live** on a farm and there are cows, hens and sheep. My Granny is 67 years old and she always (27) **bakes** delicious cakes and (27) she **tells** wonderful stories. (28) She **loves** going to the cinema and reading adventure novels, but (29) she **hates** computers and the internet! My Grandpa is 70 years old and (30) he **has** no hobbies, (31) he always **works** on the farm. But he is really funny, (31) he **tells** great jokes. I love my family!

Task 2 A2, B3, C1 sind richtig

Task 3 Ich habe das Prinzip erkannt: die Häufigkeit nimmt ab:

often
usually
sometimes
never

Task 4

Ich habe 7 Sätze über meine Gewohnheiten geschrieben

Ich habe **simple present** benutzt

Ich habe die Häufigkeitsadverbien **always, often...** vor das Verb im Satz gestellt

Task 5

Ich habe 9 Sätze über den Tiger Theo geschrieben

ZUSATZMATERIAL KOMPETENZSTUFE C (2 Seiten) Travelling and Animals-SELBSTKORREKTURBOGEN

- Meine Sätze sind zwar anders, aber ähnlich aufgebaut wie:*
- 1. Theo usually catches a rabbit before breakfast.
 - 2. He often meets his friend Leon the monkey after breakfast
 - 3. He sometimes plays coconut-ball with Leon before Lunch.
 - 4. He never plays tricks on Bumba, the elephant.
 - 5. He often goes swimming with Dolphy, the dolphin.
 - 6. He hunts his dinner at 7 pm.
 - 7. He usually has his dinner with his uncle Scarface.
 - 8. He often listens to his uncle's old stories.
 - 9. He sometimes meets Judy in the Jungle-Bar around 9 p.m.

Task 6

- Meine Lösungen sind:*
- Maybe some people will live on the moon in 2050.
Our seas won't be cleaner in the year 2050.
I will have an electric car when I'm older.

Task 7

- Ich habe drei Sätze geschrieben*
- Ich habe auch kreative Ideen aufgeschrieben (creative ideas!)*
- Ich habe daran gedacht, **will-future** zu benutzen (**will + Verb**)*

Task 8

- Meine Antwort enthält eine lustige Zusammenstellung der Teile dieser Tabelle:*
- Meine Fragen in Task 8 sind anders, sind aber so aufgebaut*

- 1. _____ Will I have a lot of friends in 2025? _____
